No worry WordPress maintenance package

Don't want to worry about doing backups, handling security updates, and getting help with basic site tweaks? Want to be covered if your site ever goes down for any reason? Consider the "No worry WordPress maintenance package" to be covered!

Includes Services & Value

The core services you need to protect and update your WordPress site are included in the maintenance package. Plus, by electing a proactive this package you also save.

Service	Package Frequency	Typical Value
Backup site's files & database during term of service to a 3rd party location	Monthly	\$50
Update core system for WordPress	Monthly	\$25
Update theme/plugins for WordPress	Monthly	\$25
Apply critical security patches to known core/theme/plugin issues	Within 24 hours	\$50
Assist with website content edits up to 1 hour/month of work	Within 72 hours	\$125
Reduced \$99/hour rate for hourly website-related work outside scope of maintenance package	As needed	20% Savings
Flat \$249 rate restoration of site from most recent backup (human error or security breach, etc.)	As needed	50% Savings
Total Monthly Value <i>(Excluding optional savings for hourly or restoration)</i>		\$275 Month \$3300 Year

Moneysaving Monthly & Yearly Options

Rather than paying the full rates above, by purchasing a plan in advance of problems you save. Choose to pay monthly or select the yearly plan to save even more.

Term	Value	Your Cost
Monthly	\$275 Month	\$99 Month
Yearly	\$3300 Year	\$999 Year

Let's do this!

A detailed client contract will be provided upon your request.
